## Application No. 09/804,464

## Continuation Sheet (PTOL-303)

Continuation of 2. NOTE: The proposed amendment to claim 1 "no more than three injections" raises the issue of 112 second paragraph for depedent claims 23, 25 and 26 that require further consideration because base claim 1 fails to provide antecedent basis for "1 to 5 doses" in dependent claim 23, "fewer than about 10 doses" in claim 25 and "1 to about 5 doses" in claim 26. Further, the declaration by Thomas Kundig under 37 CFR 1.132 is unsigned. All rejections remain.
